ABOUT

Les Heures Flâneuses is an independent lifestyle media covering style, sport & wellness, and hotels & travel — built for readers who want sincere, experience-based recommendations rather than disguised advertising. Every product featured is tested in real conditions and written up in depth, with a strong focus on menswear and everyday accessories, including watches.

WHY WATCH BRANDS PARTNER WITH US

- **Hands-on testing.** Products are worn and reviewed in real, everyday use — not staged for a quick post.
- **Engaged, style-focused readership.** Visitors come specifically for menswear and lifestyle recommendations.
- **Editorial trust.** No disguised ads — content reads as genuine recommendation, which readers respond to.
- **Long-form, evergreen content.** In-depth articles stay live and continue driving traffic well past launch.

COLLABORATION FORMATS

Dedicated review article	Full hands-on test of a watch or collection, with photography and an in-depth write-up.
---------------------------------	---

Thematic selection feature	Brand and product included in a curated round-up (e.g. gift guides, seasonal edits).
-----------------------------------	--

Custom collaboration	Open to formats that fit your usual approach — with or without product seeding.
-----------------------------	---

"Written for readers who want an honest opinion before they buy — not another sponsored post."
